passed a third reading in the New

Jersey assembly yesterday.

THE VOTE OF WOODRUFF COUNTY, with the Morris and Essex road ARKANSAS. The importance to Memphis of the vote in Woodruff county, Arkansas, in favor of the subscription of one hundred thousand dollars to the Memtiemen who went there to represent the interests of Memphis content the interests of Memphis should the prospect aimost hopeless, and despaired of success. St. Louis, through he agents and emissaries, had so poisoned the minds of the people against this great Memphis enterprise day. They fell short six votes.

The second match game on the lands of another was digracefully kicked out of the Ohio estated by the form the date of the discharge or death of the people against this great Memphis enterprise and virginia, subtant the united to press a vote of "want of conditions" in the general constitution of the people against this great Memphis enterprise that public sentiment was almost unanimously against us. A proposition had been made in the interest of St. Louis, that if the people of Woodruff would vote the aid to them, they would vote the aid to them, they would construct a branch from the Colaro and Fulton roads a point south of the feature of the form the committee of the first the property of the match and and affiliately form the committee only a short time and the content of the Gutter tion had been made in the interest of St. Louis, that if the people of Woodrum would construct a branch from the Cairo and Fuitor need at a point south of Jacksonport, down to Augusts (about twenty-three miles) without of Jacksonport, down to Augusts (about twenty-three miles) without of Jacksonport, down to Augusts (about twenty-three miles) without on the control of Jacksonport, down to Augusts (about twenty-three miles) without on the control of Jacksonport, the facts of the openion of Jacksonport, down to Augusts (about twenty-three miles) without on the facts of the openion of Jacksonport, down to Augusts (about twenty-three miles) without on the facts of the openion of Jacksonport, the giving them direct communication with St. Louis. If their ackeen had succeeded the rich trade of the White river valley would have been diverted to St. Louis and lost to Memphis forever. It was the teart in the point on to only of that valley but of North Arkansas. Every means of defeating as was resorted to All the are bounded and the furniture and third, a project of sknown to local politics in the country were brought into requisition. Money was speak. Memphis some of sknown to local politics in the country were brought into requisition. Money was speak. Memphis was sensitive for the same of the string point in the battle for the control on only of that valley but of which they are the control on only of that valley but of which they are the control on only of that valley but of which they are the control on only of that valley but of which they are the control on only of the trade of the Monay of a point on the point of the country were brought into require in the facts of the question, and resolution to layor and plant in the state of the point of the country of the control on the old of the point of the country of the control on the old of the point of the country of the control on the old of the point of the country of the control of the country of the count and her people belied. The road was coats will take place at Brighton this misrepresented. Every prejudice year. The English secretary of war was appealed to. Partizan polities were dragged in. In short, day. the enemies of Memphis scrupled at nothing. But a fair discussion and presentation of the claims of the people of New Albany offer the amendment of Brandon, and Messrs. Clarke and Prandon, and Messrs. Clarke and Brandon spoke in Sion and presentation of the claims of the people of New Albany offer the amendment of Brandon, and Messrs. Clarke and Brandon spoke in Sion and presentation of the claims. of Memphis, and the merits and ad- their works in that town. Ye propervantages of this great public enterprise were sufficient to turn the tide of popular sentiment in our favor. Victory was snatched from the jaws At the same time his cousin, Ranof defeat, and the proposition of the dolph Coen, was shot down in the company was ratifled and accepted at street by a fellow named Julio, who port any motion which proposed to company was ratifled and accepted at escaped to Turks Island. the polis by a vote of seven for to one against. The contest was so decidedly and unmistakably decided in favor of William U. Pratt were riding along Memphis that the question of the con- the road, and got into a quarrel. Pratt trol of the trade of White river valley attempted to dismount, when Wigginton shot him in the breast with a shotmay be considered as forever determined. The people of Woodruff, when the subject was fairly presented to them, saw and understood the Identity of their interests with those of Memphis, situated as we are on the same parallel, and Memphis being the natural market of that rich section.
